Re: Censorship

MITCHELL R. ELFERS
CLERK

CV 24-121

Dear Honorable Ritter,

We go back a long ways, 2007 to be exact. I need your help. My Mail is being censored, I have mailed out several letters that have not reached their intended recipients. I know it includes legal mail clearly marked as legal mail, legal correspondence and privileged correspondence.

I also know who has ordered that my mail be censored. I don't know if you will receive this but I need help.

Respectfully Yours,
Paul Cain
